Experience

Summer Program Director, South Gate Baptist Church; Springfield, MO - Summer 2018-Present

I have been in charge of the School-Age Summer Program for 3 summers, including this coming summer, 2020. I coordinate getting children signed up for the program, schedule workers, and plan activities for the program.

STEAM Club Sponsor, Bissett Elementary; Springfield, MO – 2018-Present

I am the STEAM Club sponsor for our school. This year, we participated in a Science Olympiad and did activities such as learning to code, engineering activities, science experiments and more.

Second Grade Teacher, Bissett Elementary; Springfield, MO – 2017-Present

I am a classroom teacher in the Springfield Public School system. I teach second graders math, reading, writing, social studies, and science among other skills.

Webmaster, Bissett Elementary; Springfield, MO – 2017-Present

I update and do some very basic design on the school's website.

Blended Learning Building Representative, Bissett Elementary; Springfield, MO - 2018-2019

I attended district training about technologies that we could use in our classrooms. I implemented these technologies in my own classroom and worked to educate other staff on those technologies as well.

Instructional Technologist, Bissett Elementary; Springfield, MO- 2016-2017

I worked with kindergarten through 5th grade students, teaching them computer skills and digital citizenship skills. I also helped teachers use technology in their jobs.

Education

University of Missouri-Columbia; Columbia, MO – B.S. in Early Childhood Education, 2016

University of Missouri-Columbia; Columbia, MO – M.A. in Information Science and Learning Technology- Library Science, 2018

Skills

Experience with Canvas by Instructure and Google Suite
